3. The reference to current financial year in this statement is the financial year for which the reconciliation statement is being filed for.

4. Part II consists of reconciliation of the annual turnover declared in the audited Annual Financial Statement with the turnover as declared in the Annual Return furnished in FORM GSTR-9 for this GSTIN. The instructions to fill this part are as follows:—

Table No.	Instructions
5A	The turnover as per the audited Annual Financial Statement shall be declared here. There may be cases where multiple GSTINs (State-wise) registrations exist on the same PAN. This is common for persons/entities with presence over multiple States. Such persons/entities, will have to internally derive their GSTIN wise turnover and declare the same here. This shall include export turnover (if any). It may be noted that reference to audited Annual Financial Statement includes reference to books of accounts in case of persons/entities having presence over multiple States.
5B	Unbilled revenue which was recorded in the books of accounts on the basis of accrual system of accounting in the last financial year and was carried forward to the current financial year shall be declared here. In other words, when GST is payable during the financial year on such revenue (which was recognized earlier), the value of such revenue shall be declared here. 5C	Value of all advances for which GST has been paid but the same has not been recognized as revenue in the audited Annual Financial Statement shall be declared here.

5I	Value of all advances for which GST has not been paid but the same has been recognized as revenue in the audited Annual Financial Statements shall be declared here.
5J	Aggregate value of credit notes which have been accounted for in the audited Annual Financial Statement but were not admissible under Section 34 of the CGST Act shall be declared here.
5K	Aggregate value of all goods supplied by SEZs to DTA units for which the DTA units have filed bill of entry shall be declared here.
5L	There may be cases where registered persons might have opted out of the composition scheme during the current financial year. Therefore, the turnover for which GST was paid under the composition scheme shall be declared here.
5M	There may be cases where the taxable value and the invoice value differ due to valuation principles under section 15 of the CGST Act, 2017 and rules thereunder. Therefore, any difference between the turnover reported in the Annual Return (GSTR 9) and turnover reported in the audited Annual Financial Statement due to difference in valuation of supplies shall be declared here.
